RESEARCH

Current Research:

Principal Investigator. *Person-Centered Care Planning and Service Engagement*. National Institute of Mental Health. (R01MH099012-01A1). \$3,196,830. 2013-2018.

Multi-state randomized controlled trial of person-centered care planning, a recovery-oriented practice aimed at maximizing self-determination. Mixed methods study will test the effectiveness of Person-Centered Care Planning and examine the organizational factors that influence implementation.

Third Country Partner (NYU Leads Victoria Stanhope and Sherry Glied). *Citizenship, Recovery and Inclusive Society Partnership*. European Union Marie Skłodowska-Curie Actions Research and Innovation Staff Exchange (RISE). €477,000, 2015-2019.

This EU grant creates a knowledge exchange between Scotland, United States, Finland, and Germany. The collaboration brings together researchers, providers and people with lived experience to foster new knowledge and solutions by connecting diverse national and disciplinary perspectives on people living with mental health problems.

Co-Chair, *New York University Mental Health Services Col [LAB] orative*, NYU SSSW Research Funds, 2015- present

The collaborative at the Silver School of Social Work convenes a group of invested pre-doctoral and postdoctoral researchers, alongside faculty members who are all dedicated to issues around mental health services and interventions research. The collaborative meets on campus monthly to discuss emerging ideas and current issues.

Completed Research:

Principle Investigator. *Person-Centered Care Planning and Disparities*. Administrative Supplement (NIH_3R01MH099012-02S1). National Institute for Mental Health. \$173, 295, 2015-2017.

Co-Investigator (PI Michelle Munson). *Cornerstone Boundary Spanning Case Management and Peer Support*. National Institute for Mental Health. R34 MH102525, \$646,277, 2014-17.

Co-Investigator and Project Director (PI Lynn Videka). *NYU Integrated Behavioral Health Project*. Health Resources and Services Administration. M01-HP25189 \$467,000, 2013-2015.

Principal Investigator. *Person-Centered Planning*. Collaboration with Community Access. University research funds, 2010- 2015

Co-Principal Investigator (PI Deborah Padgett). *Qualitative Study of Mental Health Recovery in Dual Diagnosed Homeless*. National Institute of Mental Health (1R01MH084903-01A2. 20), \$1.9 million, 2011-2015.
