**SILVER SCHOOL
OF SOCIAL WORK**

2.9 Social Action Committee

- 2.9.1 The Social Action Committee shall provide leadership for the Silver School of Social Work's response to relevant policy, community, professional and organizational issues that further social and economic justice. When feasible, the Committee will work in partnership with interested student groups.
- 2.9.2 The Social Action Committee shall consist of three (3) elected full time faculty members. One (1) shall be tenured, one (1) shall be tenure track, and one (1) shall be clinical. The Social Action Committee shall also include voluntary members from the Faculty and the Student Body. The committee may seek recommendations from the Student Associations for the identification of a volunteer student member.
- 2.9.3 The Social Action Committee shall make regular reports to the faculty on relevant issues and recommended actions.
- 2.9.4 Any proposed actions to be taken in the name of the NYU Silver School of Social Work shall be presented to the Faculty for approval prior to implementation. When situations demand a more immediate response, the Social Action Committee will seek affirmation of intended actions from the Chair of the Executive Committee of the Faculty and the Dean of the School. The Faculty will be informed of such actions as soon as possible thereafter.
