* A Field Experience Seminar is a required component of Field Learning. Students will be notified when assigned to a Field Experience Seminar.

Note: Students are excused from field experience on the School holiday and recess listed above. Agency holidays will also be observed by students. Any modification of the field learning schedule must be approved by the agency, field instructor and faculty advisor.

¹ Students placed in agencies (e.g., schools) that are closed for their own spring break must take this break in lieu of NYU’s spring recess.
