

APPENDIX A

Additional NYU Co-Investigators & Other Personnel

Complete this form to list NYU Co-Investigators and other personnel on the research study. Signatures are required of all NYU Co-Investigators. Researchers should only be listed in one category only (e.g., Co-Investigator, or Other Personnel).

All NYU individuals listed on this protocol will have access to information about IRB actions and the completion status of each individual's administrative and training requirements (NYU and/or CITI training, COI disclosure). Note: Personal financial information provided in COI disclosures is not included.

PI Name: _____

Study Title: _____

NYU CO-INVESTIGATORS

As Co-Investigator, I agree to comply with all policies and procedures of New York University and federal, state, and local laws and guidance regarding the protection of human subjects in research, as well as with professional practice standards and generally accepted good research practice guidelines for investigators.
