

Fire Drill & Evacuation Assignments
1 Washington Square North

The wardens and deputy wardens are in charge of supervising the evacuation of their floor when the fire alarm sounds, especially directing people to the nearest exit rather than the front door. The searchers are responsible for alerting everyone in the bathrooms and classrooms about the alarm and the need to leave the building.

As a continuing priority, please look for and assist any disabled students who may be on your floor. Students in wheelchairs, etc., do not need to leave and should be escorted to each floor's reception area by the elevator. The warden and student should keep the door closed and wait for further instructions from Protection Services or the Fire Department. Should assistance not be forthcoming, call Protection at ext. 8-2222 for emergency instructions.

Please note that fire wardens and searchers should assist with other emergencies that may arise.

Fire Safety Director: Mark Callahan and Maria Di Pompo

Garden Level:

Fire Warden: Kathy Miller
Deputy Fire Warden: Shakera Jones
Searcher: Henry Samelson

First Floor:

Searcher: Sharice Burroughs

Fourth Floor:

Fire Warden: Terry Urcinoli
Deputy Fire Warden: Niurvys Hechavarria
Searcher: Terry Urcinoli

Alarm Transmission:

Any person discovering fire or smoke should, without delay, cause the transmission of an alarm or fire by any of the following methods available:

1. Activate the nearest Building Fire Alarm Pull Station.
2. Telephone the Fire Department, call 911 or 9-998-2222.
3. Street Fire Alarm Box-Located at the Northwest corner of Mercer St. & Waverly Place.

Note: Also notify the Fire Warden and/or Deputy Warden that an alarm has been transmitted.
